

NEWPORT LANDING HOMEOWNERS PREFERRED CONTRACTORS DIRECTORY

**Provided by the
Newport Landing Homeowners Association**

The Newport Landing Homeowners Association (NLHA) is pleased to provide this directory to you as a service and benefit. The following is a directory of contractors or businesses recommended by homeowners in Newport Landing. We have assembled this directory to help you choose a contractor who has provided services for one or many of our neighbors.

If you have a vendor you would like to recommend in this directory, please call Byron Keelin for a referral application. Please provide the referral application to the vendor and have them submit the application with a \$25.00 application/advertising fee to the Newport Landing Homeowners Association. The \$25.00 fee is to cover cost of printing and distribution of this directory.
